

THERMAL TRANSFER SYSTEMS, INC.

Providing standard and custom designed industrial heat exchangers and exhaust silencing equipment since 1978

- Shell & Tube
- Plate Exchangers
- Spiral Exchangers
- Air-Cooled
- Heat Recovery
- Blower & Vent Exchangers
- Platefin Coils
- Electric Heaters
- Exhaust & Blower Silencers

Types of Electric Heaters

Flanged Immersion Heaters	Heating Cables
Flanged Circulation Heaters	Process Heaters
Screw-Plug Immersion Heaters	Process Air High Heaters
Screw-Plug Immersion Heaters with Integral Thermostat	High Temperature Wire and Accessories
Screw-Plug Circulation Heaters	Control Panels
Over-The-Side Immersion Heaters	Thermocouples
Strip Heaters	Air Heating Systems
Tubular Heaters	Packaged Fluid Heating Systems
Cartridge Heaters	Ovens
Mica Band Heaters	Comfort Unit Heaters
Hi-Temp Band Heaters	Silicone Rubber Heaters
Cast In Heaters	Thermostats
Drum Heaters	Heating Systems

Premium Service, Realistic Deliveries & Fair Pricing

Thermal Transfer Systems, Inc. offers one of the most complete product offerings available for Industrial Heat Exchangers and Exhaust Silencers. Our goal is to provide our customers with sound engineering selections, realistic deliveries and fair pricing. Our local and factory inventoried items are available for same day shipment via UPS, motor freight or next day air carrier. Many items which are made to order are also available on a quick ship basis.

Our client base of OEM/reseller, industrial users and engineering firms range from the fortune 500 to the individual sole proprietorship. If you are a current client, we "Thank You" for your past and continued support. For those who are seeking a dependable supplier with our capabilities, we encourage you to contact us.

Listed here are some of the reputable firms we work with to bring you the premium service you have grown to expect from us throughout the years.
